### Board of Education.

---

#### Southwestern University:

It is with profound pleasure that we note the continued prosperity of Southwestern University and we desire to emphasize the suggestion that all Texas Methodists should concentrate their earnest efforts to make this the chief institution of learning for our Church in this great State. The report of the Curators shows an increased attendance of twenty-four over the preceding year, and we learn from the Regent that the attendance during the present session has not been diminished, and we heartily commend the advanced requirements for admission into the college rank. This institution, as it is in one of the nicest towns of Texas, in one of the most moral and cultured communities of the South and equipped with a faculty of the highest moral character and most proficient qualifications, should be the pride of our whole Church. We learn that the Fitting School is very satisfactory and that in this school the boys and girls may be well prepared to do thorough work. We are particularly gratified to state that Giddings Hall furnishes our young men of limited means an opportunity to obtain good board at well-nigh the mere cost of living and thus to obtain a collegiate education at a nominal cost. While the discipline of the institution has been firm, yet it is worthy of note that the most pleasant relations have existed between students and teachers and the enforcement of discipline is rarely necessary. We learn that the attendance at the Ladies' Annex has increased. The instruction and government in this department have been very satisfactory. We rejoice to know that the moral environments bear fruit and in this connection we quote from the report of the Board of Curators as follows: "The gracious revival of religion that swept over the University resulted in a large number of conversions and many accessions to the Church. While the work of grace was especially felt in the College, it was at the same time entered into and greatly enjoyed by the whole community. Thus, we see that our young men and women have the sympathy and help in their moral

and religious life so essential in the home."

THE SUMMER SCHOOL OF BIBLE AND THEOLOGICAL STUDY.  
SOUTHWESTERN UNIVERSITY.

We call especial attention of the preachers and Christian workers to this new department of the University and quote from the report of the Board of Curators as follows:

"It is now under the control and management as to the election of its officers, of the Board of Curators. This Board elects a Manager and Secretary, who, with the Regent of the University, have full power to arrange for the work in all its practical bearings. Rev. Seth Ward, D. D., and Rev. W. L. Nelms, D. D. and R. S. Hyer, LL. D., Regent of the University, have the whole matter in hand for 1901-2. We invite your careful consideration and your liberal patronage of this new department."

The crying need of this great institution is an adequate endowment, and we should concentrate our prayers and efforts to this end. We believe it possible to find one thousand men in Texas who will promptly give one hundred dollars each to an endowment fund. If every Methodist pastor in Texas would systematically take hold of the matter and endeavor to find one man in each charge who would give \$100.00 it is likely this average could be accomplished. While perhaps such a man could not be found in some charges, several could be found in others.

CHAPPELL HILL FEMALE COLLEGE.

We are pleased to state that this institution is doing good work. It has had a prosperous and pleasant year—no discord. "The conduct of the pupils has been exceptionally good." The attendance in the boarding department has almost reached fifty, and it is believed this number will be reached during the present session. The local patronage is larger than for several years. The work done by pupils and teachers has been thorough. The industrial department is still a prominent, and it is hoped, a permanent feature. Half of the pupils of the boarding department are paying half their expenses by work and at the same time acquiring skill in the practical household arts. The publication of a College monthly has been begun, which we commend. Excellent Christian influence prevails in the school and a gracious revival of religion among the pupils has been the result. We regret that we have no funds at our disposal with which to assist this College in repairing the damages caused by the storm.

VANDERBILT UNIVERSITY.

This great University is the pride of Southern Methodism and we rejoice to note its growth and continued prosperity. It is sending out from its halls year by year some of the brightest young men of

this Nation, who are taking high position in Church and State and whose influence will be felt for good in the years to come. The time is at hand when an educated ministry is not only appreciated, but is demanded, and the Biblical Department of Vanderbilt University furnishes the means for the proper equipment of our young preachers for the great work before them, and in this connection we quote from Dr. J. D. Hammond, General Secretary of Board of Education, as follows: "Only about \$50,000.00 of the \$300,000.00 necessary to endow this department has been pledged. An additional \$50,000.00 has been promised by a layman on condition that the Church raise its subscription to \$100,000.00 by next July. Will not your Conference raise some part of this amount and forward it to our office within the appointed time?"

We recommend that the assessment for Paine and Lane Institutes be as heretofore, \$250.00.

We recommend that the assessment for education be as heretofore, \$1,685.00, to be distributed pro rata as follows: \$185.00 for General Board and \$1,500.00 for Southwestern University.

The collection for Paine and Lane Institutes is \$144.80, less \$——, for printing minutes.

The educational collection, which, according to paragraph 412 of our New Discipline, is to be combined into one fund and apportioned pro rata, is \$1,170.65, less \$15.00 for printing minutes, and is divided as follows: General Board \$——, Southwestern University \$——.

We have set apart to the expense account out of the cash collected on the Twentieth Century fund 5 per cent. of the total amount of cash and notes belonging to said fund and have appropriated the same to Southwestern University. Respectfully submitted,

JAS. KILGORE,

President.

JOHN E. CRAWFORD, Secretary.

### Books and Periodicals.

To the Bishop and Members of the Texas Annual Conference—Brethren:

Your Committee on Books and Periodicals beg to report as follows: The report of the Book Agents referred to us by the Conference makes a gratifying exhibit as to our Publishing House. The reports shows that there was an increase of sales during the last year over the year previous, of nearly \$17,000.00. Your committee would make special mention of our Branch House at Dallas. The success here has exceeded all expectation, and we commend it to the patronage of our preachers and people.

Our Church periodicals are of high grade. The Christian Advocate, Methodist Review and Epworth Era are unexcelled by similar periodicals in other Churches, and their limited circulation is a reflection on both the intelligence and loyalty of both our preachers and our people. The Texas Christian Advocate, the official organ of our five Texas Conferences, we are pleased to say fulfills its mission to a most conspicuous degree. The editor, Dr. G. C. Rankin, is realizing his ideal in making the Advocate a paper for the people. The paper is to be congratulated on his re-election as editor. We recommend concurrence in the action of the Joint Board of Publication and the other patronizing Conferences, in their recommendation of the renewal of the contract with L. Blaylock, the publisher, for a period of ten years, at the next meeting of the Joint Board of Publication. We again call the attention of the Conference to the provision in our Book of Discipline requiring the preachers in charge to circulate our books and periodicals, viz.: "To see that all the people within the bounds of his charge be duly supplied with our books and periodicals."

Respectfully submitted,

SAM R. HAY,  
Chairman.

### Epworth Leagues.

To the Bishop and Members of the Texas Annual Conference:

We, your Committee on Epworth Leagues, submit the following report:

During the Conference year the League has grown from 46 chapters and a membership of 1,692, to 55 chapters and a membership of 1,841, making a net increase of 9 chapters, 149 members.

We have looked carefully into the subject and make the following recommendations:

1. That each District hold a District League Conference, and that this Conference be held in conjunction with the District Conference of the Church. This will cause almost all the pastors and laymen to attend the League Conference and the young people to attend the District Conference of the Church.

2. In the second place we recommend a wider circulation of the Epworth Era; that the pastor and League officials subscribe for it and urge the entire League to do so. The Era is an excellent periodical and is indispensable to the highest class of League work. The club rate is only 75 cents, and all can afford it.

3. In the third place we wish to recommend cottage prayer-meetings. The result of this will be threefold. (1) It gives our young people something to do, and establishes Christian character. (2) It

carries the Word of God, the prayers of devout Leaguers and the songs of Zion into homes or communities where there are those who rarely if ever attend the meetings at the Church. (3) This class is brought to the League and to God and the Church through the League.

4. In the fourth place, we recommend the social feature of the Literary Department. Man is by nature a social creature. This is especially true of the young man, and the Church or League that supplies him with social entertainment, intellectual and Christian in its nature, is the one that has the greatest hold on him and proves the greatest blessing to him.

For the Literary Department of the League we recommend the course of study and the Missionary Library, and call attention to the value and greatly reduced prices of these sets of books.

For this department we also recommend systematic Bible study and suggest as helps in this work, the revised version of the Bible, the Twentieth Century New Testament and Moulton's Modern Readers' Bible Series.

Respectfully,

J. B. SEARS,

President.

J. W. BERGIN, Secretary.

#### District Conference Records.

To the Bishop and Members of the Texas Annual Conference—Dear Brethren:

Your Committee on District Conference Records beg leave to submit the following report:

All the records have been carefully examined by us.

Houston District Record is in form a model, but the penmanship is not good. Grammatical errors also are found; on page 71 this sentence is found: "A resolution of thanks was introduced to West End and Central Church for their kind entertainment." Should be: "A resolution of thanks to West End and Central Churches for their kind entertainment was introduced," or "was adopted." Again the phrase "all O. K." is found. We do not think that such phrases as this should be found in our records.

Calvert District Record is neatly and correctly kept, except that "Bers." is used as the abbreviation of the word "Brothers;" also the word "Reagan" is begun with the letter "P," instead of "R."

Brenham District Record: The penmanship of this book is good, but the grammatical construction is not correct. On page 65 this sentence is found: "Missionary and pay assessment against the church for missions." On page 66 this sentence is found: "Bro. Cochran strongly advocates the use of M. E. Literature in our schools."

Austin District Record: This book is correctly kept, except that too many abbreviations are used. The word "La Grange" also is incorrectly spelled. "E. A. Potts' charge" should be "McDade charge."

Huntsville District Record: In this book the words supernumerate, Discipline and Ridding are incorrectly spelled; also one grammatical mistake. In supplement "F" the word "His" is used instead of the word "their."

With the above named exceptions, this book is a model of neatness and correctness. We would suggest that abbreviations be discontinued in all of these records. Respectfully submitted,

B. W. ALLEN,  
Chairman.

J. C. CAMERON, Secretary.

### Conference Relations.

To the Bishop and Members of the Texas Annual Conference:

Dear Brethren—Your Committee on Conference Relations recommend to the Conference the following named brethren for the superannuated relation:

F. A. McShan, T. W. Blake, Wesley Smith, W. K. Turner, W. G. Nelms, G. Powlege, A. E. Goodwyn, J. C. Mickle, G. S. Sandal, G. C. Stovall, F. L. Allen.

For a supernumerary relation, R. W. Adams.

C. H. BROOKS,  
For the Committee.

### Report on Orphanage.

To the Bishop and Members of the Texas Conference:

Dear Fathers and Brethren—We, your Committee on Orphanage beg leave to submit the following report:

We rejoice at the degree of prosperity and success which, in the good providence of God, has attended this institution of our Church in Texas through the wise management of Rev. W. H. Vaughan, Business Manager, the persistent efforts of Rev. Abe Mulkey and the diligent activities of Rev. R. W. Thompson.

One hundred and fifteen children are at present sheltered, clothed and fed by this institution and through its instrumentality thirty-eight children have been assigned to private homes during the year.

This home is Christian in its influence and offers good educational advantages.

The Board of Directors report unincumbered property in build-

ings, lands and furnishings valued at \$50,000.00. We are glad to know of the anticipated dedication of the Orphanage on December 22d, 1901, by Bishop Key.

Your committee respectfully recommend that Article II of the Constitution governing the administration of the Orphanage be so amended as to read as follows:

"The Board of Directors shall be composed of one clerical and one lay member from each of the patronizing Conferences," thus adding a layman from each of the Conferences. In compliance with the suggestion of the Board of Directors, we recommend the election of Judge J. E. Crawford, of Franklin, for this position. We also recommend an assessment on the Texas Conference of \$900.00 for the Orphanage.

Whereas, the exigency is felt, therefore, be it,

Resolved, That the collections for the Orphanage be taken as early in the year as may be practical.

Respectfully submitted,

D. K. PORTER,  
For the Committee.

### **Bible Cause.**

To the Bishop and Members of the Texas Annual Conference:

Dear Brethren—The Bible is the Word of God, the book of all books. It is our spiritual thermometer, a light to our pathway, and a guide to our souls. Its teachings are true and always new. May we not redouble our diligence in spreading this precious book throughout the world? If you ask, What warrant we have for reading this book? we will tell you we have a search warrant, for the Master said, "Search the Scriptures, for in them ye think ye have eternal life and they are they which testify of me." Now, brethren, how can men search the Scriptures if they have them not? This being true, let us endeavor to spread the precious book as best we can, and may the good Lord help us in our work! We, your committee, have gathered in the contributions to this cause to the amount of \$77.68. This sum was paid by less than half of the charges in the Conference. We believe we shall do better in the future.

Respectfully submitted,

A. J. ANDERSON,  
For the Committee.

### **Committee on Memorials==Report No. 1.**

#### **MEMORIAL.**

Whereas, The present boundary lines of the Conferences in Texas

were arranged practically as they are at present thirty-five years ago; and,

Whereas, During this time great changes have taken place in our common territory, population has increased, cities have been built, railroads have been constructed and in many places the character of the population has been greatly changed by the influx of foreign elements, and the exodus of our own people; and,

Whereas, There is a great disparity between the present existing Conferences in membership, territory and resources, so that the smaller Conferences, notably our own, are unable to do most efficient work, and, in consequence, our common Methodism is caused to suffer; and,

Whereas, This disparity does not reflect a lack of diligence or of efficiency upon the part of the weaker Conferences, nor does it indicate any superior wisdom or devotion upon the part of the stronger Conferences, but is the result of the natural development of the country and of circumstances over which none of us had any control; therefore, we, the members of the Texas Annual Conference, in conference assembled, do respectfully memorialize the General Conference of the Methodist Episcopal Church, South, to be held in Dallas, Texas, in May, 1902, as follows:

1. That your body so readjust the boundaries of the several Conferences in Texas as to conserve the best interests of our Church in the whole State.

2. We favor the formation of five English-speaking Conferences for the State, of something like equal territory and membership.

3. Should your body find such an arrangement to be impracticable, then, rather than leave the weaker Conferences in their present form, we would ask that four Conferences be formed in the State approximating, as nearly as possible, equality in territory and membership.

4. If in the accomplishment of the above expressed purposes it should be found necessary to absorb the territory of the Texas Conference in the new Conferences to be formed, then we will cheerfully acquiesce in any plan that your wisdom may devise for the good of our common Methodism in Texas.

Respectfully submitted,

JOS. B. SEARS,

Chairman.

#### Committee on Memorials—Report No. 2.

To the President and Members of the Texas Annual Conference:

Dear Brethren—We, your Committee on Memorials, submit here-

with our second report:

We have considered a paper from the Woman's Home Missionary Society of the Texas Annual Conference, concerning the Deaconess work, asking us to memorialize the General Conference for a law providing for and regulating such work in our Church. We endorse the paper, and in view of the increasing demands for such work in our Church, and its increasing usefulness in other Churches and sections, submit the following:

Resolved, That we, the Texas Conference, do hereby memorialize the General Conference of the M. E. Church, South, to meet in Dallas, in May, 1902, to make disciplinary provisions for the Deaconess work in our Church.

Respectfully,

J. B. SEARS,

Chairman.

D. H. HOTCHKISS, Secretary.

#### RESOLUTION.

Resolved, That the Committee on Memorials be instructed to prepare a further report setting forth fully the condition of affairs in this Conference and the reasons for making this request.

H. C. PRITCHETT.

#### Sabbath Observance.

To the Bishop and Members of the Texas Annual Conference:

Dear Brethren: We, your Committee on Sabbath Observance, beg leave to submit the following:

Your committee regrets very much to hear of the widespread desecration of the Christian Sabbath in the bounds of our Conference and in the State of Texas. It is fast becoming continental in tone, and a day of frivolity and social pleasure. It behooves us as a Church to stand in line with every agency that looks toward the proper observance of the Christian Sabbath.

When the Sabbath day is desecrated by coarse pleasure or by servile labor, it becomes a curse rather than a blessing. "God's day," the people's rest and study, the day of home joy and inspiration and elevation we must protect. We should form in line and make a united effort to protect our American Sunday. Therefore, we respectfully ask that in all our congregations the week known as "Lord's Day Week," set apart by the Sunday League of America, be adopted by us as a week of prayer for the better observance of the Christian Sabbath and recommend that our pastors observe some portion of that week (from April 8th to 14th) as a time to preach on Sunday observ-

ance, taking such phases of the matter as may seem of practical value to each community.

We recommend that our people insist that the railroad managers give the same special rates as are given for Sunday excursions, one day in the week to accommodate the Christian people, thereby showing a willingness to extend the same favors to all classes of people.

We recommend that the following resolutions be passed by this Conference:

Resolved, first, that we as a Conference, give our hearty endorsement to the faithful work of the Sunday League of America.

Resolved, second, that we approve of the Lord's Day Week following Easter Sunday.

We recommend the literature published by the Sunday League of America, Nitsch Building, Gay and Pearl Streets, Columbus, Ohio, as helps on this line.

Respectfully submitted,

S. F. CHAMBERS,  
Chairman

B. W. ALLEN, Secretary.

### Temperance.

To the Bishop and Members of the Texas Annual Conference:

Dear Brethren—We your, Committee on Temperance, beg leave to submit the following:

We note with great satisfaction that voting precincts and counties all over this State are, by a majority vote, closing the saloons and prohibiting the sale of liquor. These are encouraging signs. We as a Church stand for the high ground of total abstinence. We can not be too strong against the great evils of the liquor traffic, and join hands with all bodies which are uniting in an intelligent manner to blot out the curse.

We endorse the work of the Woman's Christian Temperance Union, so far as it relates to this matter, and the Anti-Saloon League of the United States, as an organization, but condemn the action of some men who have been sent to represent it in Texas, especially in compromising with the saloons.

We urge our preachers to make as much as possible of the Temperance studies in the Sunday-school and Epworth League Lessons, and encourage our people to vote as they pray, for the extermination of the rum traffic. Let us not forget, that as soon as the Churches are as sound in action as in theory on temperance, the greatest evil of the age will have been abolished.

We further recommend, that the preachers of this Conference

preach at least one sermon on this subject during the coming year.

J. P. SKINNER,

Chairman.

R. C. GEORGE, Secretary.

### Report on Rescue Home.

To the Bishop and Members of the Texas Conference:

The reports that have come to your committee from the Rescue Home at San Antonio are very gratifying and give assurance of greater usefulness of this agency of good. The debt has been paid, and with the completion of needed improvements that are now in prospect, the Home will go forward in its gracious work.

We are glad to know that a properly appointed agent in the person of Rev. S. B. Beall is to devote at least a part of his time to the interests of the Home. We recommend that he be invited to visit such charges in our Conference as he may be able to reach, and that our preachers give such response as they can to his appeals in person or by correspondence.

O. T. HOTCHKISS,

Secretary.

### Editor of Annual.

To the President and Members of the Texas Annual Conference, M. E. Church, South:

Dear Brethren—The cost of your Annual last year was \$147.00, the items being—

For printing .....	\$111.30
For distribution .....	35.70

Total .....	\$147.00
-------------	----------

The appropriation was \$110.00, which, with proceeds from seven pages of advertisements and the sale of a few copies of the Annual, was just sufficient to cover the cost of the issue. To issue 2000 copies for this year will cost not less than last year, and as I am not always so fortunate in securing advertising, I feel constrained to request an appropriation of \$120.00.

Respectfully submitted,

D. H. HOTCHKISS,

Editor.

### Mission Board,

The missionary cause has enjoyed a year of reasonable success. Our finances are better than last year, especially the receipts on our foreign assessment, as our increase of nearly \$1,000.00 is mainly in

the funds for the foreign work. This is to be explained by the fact that after the storm of last year the preachers stressed the domestic fund in order to relieve the storm district. This year the collections fell back to something like their normal proportion. The mission fields within our bounds have in the main had a good year. While the storm belt has by no means recovered, entirely, yet the movement is toward complete recovery. The mission fields that lie outside the storm sections, with one or two exceptions, have done well. Hotchkiss Memorial, after some thirteen years of aid from the Board, discontinues request for aid, and gives the Conference an important, healthy and self-supporting charge. We are glad to say that our present mission fields are, for the most part, enjoying healthy development.

Our Board, and indeed our entire Conference, is called to confront something of a problem in the rapidly changing conditions in that part of our territory occupied by the German people. The situation is both grave and important. Great wisdom and zeal are in demand for this emergency.

Your Board has made the following appropriations:

#### HOUSTON DISTRICT.

The assessment for domestic missions was put at \$5,200.00, including the German work, making our assessments for Foreign and Domestic Missions equal.

The Board resolved to ask the Bishop to appoint a Conference Missionary Secretary, whose salary from our Board shall be \$1,500.00; \$750.00 of the salary to be paid out of our Domestic funds and \$750.00 out of our receipts for the Foreign work.

The assessments were distributed to the various districts as follows:

**Sunday School Board.**

To the Bishop and Members of the Texas Annual Conference:

Dear Brethren—We believe that there is no institution of the Church of more importance than the Sunday-school. It is called the "Nursery of the Church." In its power for doing good it is next to the well-disciplined home. The welfare of the Sunday-school depends upon the efficiency of its officers and teachers. We have long felt the need of competent teachers. How can a man teach unless he has been taught? If the blind lead the blind, shall not both fall into the ditch?

Our Church is to be congratulated in securing so able a man in her Sunday-school work as Dr. H. M. Hamill; and we heartily agree with him in his plans of holding Sunday-school Normal Institutes within the bounds of each Conference for the purpose of giving systematic instructions to our Sunday-school teachers.

We recommend that a committee be appointed consisting of Revs. H. M. Sears and J. M. Adams, with Rev. Chas. L. McLarty as alternate to meet with like committees from other Texas Conferences at the time and place designated by Dr. Hamill for the purpose of making

arrangements for holding an Institute within the bounds of each Conference.

We recommend our Sunday-school literature to our people. We believe it to be the best published, and it fully meets our needs.

Your Board wishes to impress the fact upon the minds of the brethren that it will not pay any more debts made by them.

Help can be secured by addressing the President of the Board.

J. M. ADAMS,

For the Board.

**Financial Plan,**

To the Bishop and Members of the Texas Conference:

Your committee to whom was referred the matter of the devising a financial plan for handling the funds of the various Conference Boards, begs to submit the following:

1. We recommend the election of a Conference Treasurer, to whom all funds received on the collections ordered by the Church shall be paid, either during the year or at the Conference session.
2. The Conference shall appoint an auditing committee on the first day of the Conference session, whose duty it shall be to examine the books of the Treasurer.
3. The Treasurer shall prepare report blanks in duplicate for the use of those who report funds to the Conference, which report blanks shall contain the several financial items of the Conference collections; showing in each case the amount assessed and the amount

paid; one of the duplicates, signed by the Treasurer, becomes a receipt for the money so paid.

4. After settlement these figures shall be transferred to a Conference sheet which conforms to the form used by the statistical secretary, which sheet when completed shall be compared with the sheet prepared by the statistical secretary, and reported to the Conference.

5. Your committee recommend the election of O. T. Hotchkiss as Conference Treasurer.

We are glad to note the increase in the collections, over last year

Eleven Church buildings have been erected, or are in process of building. We were unable to aid but eight of these, for want of funds.

We offer the following resolutions:

Whereas, We are greatly gratified to learn that our people are showing increased interest in the building of commodious houses of worship in the bounds of our Conference, and as the Church Extension Board is embarrassed on the account of the limited funds coming into its hands for distribution; and,

Whereas, It is almost impossible to build up the cause of Christ and Methodism within our bounds without Church buildings of our own, therefore be it

Resolved, That we request preachers and people to give special attention to the cause of Church extension and endeavor as far as possible to bring up full collections for this cause that we may have suitable houses of our own; so that we not be forced to preach in school-houses and union Churches of this country.

Resolved, second, That we take our Church Extension collection

if possible by the first of March and forward the same to the proper source at once.

W. W. HORNER,

Chairman.

H. C. WILLIS, Secretary.

### Memoirs.

REV. JESSE A. McIVER.

Jesse A. McIver, son of Jas. A. and Sarah J. McIver, was born in Lauderdale County, Tennessee, March 17th, 1869. When Jesse was nine years old the family moved to Falkner County, Arkansas, where Jesse was educated in the public schools of the county. After going through the public schools he entered Quitman College, Arkansas, where he remained but one year. He was raised by pious parents, who sought to impress upon his young mind the importance of giving his life early to Christianity. At the age of 14 he was converted at Sulphur Springs, Ark., and at once joined the Methodist Church. At the age of 19 he was licensed to preach by George W. Hill, P. E. In the fall of 1891 he was admitted on trial into the Arkansas Conference, and did three years of faithful work in that Conference. In the fall of 1895 he was transferred to the Texas Conference and appointed to Cold Springs Circuit. In 1890 he was married to Miss Ida Patty, in Falkner County, Arkansas. To this marriage there were born two children, who are left to mourn the death of a kind and loving father. Bro. McIver was a good man—ardent, firm and reliable. As a companion he was kind and courteous; as a Christian, he was experimental and exemplary. He had a good heart by divine grace, and he evinced the genuineness and depth of his piety by faithfully attending to his public and private duties like a Christian man. He was naturally timid and diffident of his own opinions, but was nevertheless immovably firm when his opinions were formed on any subject involving his conscience. As a minister he was plain, exhibiting clearly the sense of his text, and pressing it home to the hearts of his hearers with all the force of his own deep convictions of its eternal value. He dealt faithfully with the people of his charge, and doubtless he could say, "I am clear of the blood of all men." He was a tender, sympathizing pastor, participating in all the joys and sorrows of his flock. His most intimate friends have been painfully conscious for two or three years that his work was fast winding to a close—that the fatal destroyer, consumption, was fast doing its work. At the Conference

at Rockdale last fall, Bishop Candler appointed him to Lott Circuit for the second year, but he was able to do but little work after the appointment was made. At his first Quarterly Conference, in February, he was by his brethren granted a leave of absence to go West in search of health, which he did, but it proved to be of no benefit to him. He remained in the West but a few weeks, when he found it necessary to leave that climate and hasten to his father's, in Nevada, Texas, where he passed peacefully away to his reward on the 2d day of May, 1901. He leaves two little girls to the care of his brethren—little Elmer, 10 years old, and Winnie, 7 years old, both bright and promising children. May the God of their father throw the everlasting arms about them, and raise up friends to care for them, and comfort the hearts of his aged parents as they pass down the hillside of life. Our dear brother has fought a good fight; he has kept the faith; he has finished his course, and henceforth he dwells "where the noon-tide of glory eternally reigns."

---

REV. HENRY M. HAYNIE.

This good man went to his reward March 29th, 1901. He was born in the State of Alabama in the year 1835, and was about sixty-six years of age when he passed away. His parents moved to Texas when the infant Henry was only about a year old, hence he was almost entirely raised in the latter State. He was converted early in life and grew up a pious, Christian young man. He entered the Confederate Army at the beginning of the Civil War and spent four years in that service, maintaining his integrity amid all the temptations of those years. There is in one of the old Church records in the Methodist Church, in the town of Bastrop, an account of the organization of a class of some Methodist people by one Henry Haynie, in the year 1835, said to be the grandfather of the subject of this memoir. So it seems that he came of preaching stock. He was a good man and popular as a preacher. His people loved him where he served as pastor and generally clamored for his return. In the city of Austin, December, 1885, he was admitted on trial into the Texas Conference and was appointed to the Manchaca Mission, where he remained for two years. He was ordained deacon by Bishop Duncan at the Conference held in Houston in 1887, and was sent to the Elgin Circuit. At the Conference held in LaGrange in 1889, he was ordained Elder by Bishop Key and at the same Conference was appointed to Columbia and Brazoria. His next appointment was Weimar Circuit, where he served three years, 1891, 1892 and 1893. Here in July, 1892, he lost his wife who, after great faithfulness as a preacher's wife, was called to her reward, leaving her husband

and a large family of children. In December, 1893, Brother Haynie was again married, Miss Kate York, of Weimar, becoming his second wife, who survives him and lives in Elgin, Texas. In 1894 he was stationed at Elgin, where he remained two years. His next appointment was Kosse, which charge he also served two years. From Kosse he was sent to Chappell Hill Station, serving two years in the latter place. At the Conference in Marlin, in 1899, he was granted a superannuated relation and remained in that relation until his death. This is a very meager sketch of the life of one of the best members of the Texas Conference. The preachers and people alike loved him. No man among us is more unselfish or more devoted to the work than was he. He always accepted cheerfully the work assigned him and never failed to leave friends when he left the charge. Of him it may be said, "He wrought faithfully and well." "He rests from his labors and his works do follow him."

## REV. DANIEL HADEN LINEBAUGH.

Daniel Haden Linebaugh was born in Green County, Tennessee, on the 14th day of February, 1831. His father died when he was only nine years of age and as he was the oldest child he became the main support of his widowed mother. He grew up in Louisville, Ky., where he had moved with his mother. He learned the trade of a carriage painter and followed that business up to the time he entered the ministry. He was married on the 27th day of July, 1857, to Miss Margaret E. Sweets, of Bardstown, Ky., who survives him. There were nine children born to them. Three are dead and six living. His children are all grown, and all members of the Methodist Church. Rev. N. L. Linebaugh, of the Indian Mission Conference, is his second son. He died, at the home of his youngest daughter, at Mount Pleasant, Texas, while on a visit on the 29th day of July, 1901. His home was with his oldest son at Atoka, I. T. His death was very sudden and unexpected. His last words were, as he pointed to his open Bible lying on the center table, "The Book, daughter, the Book." He was converted in 1856 and joined the Methodist Church; was licensed to preach at Bardstown, Ky., in 1860. He was ordained a Deacon by Bishop Kavanaugh in 1865 and an Elder by Bishop Doggett in 1867. In 1861 he served as a supply on the Buffalo Mission. In 1862 was a supply on the Litchfield Circuit, Louisville Conference. In 1863 he was admitted on trial in the Louisville Conference; '64 and '65 on the Columbia Circuit; '66 on the Greensburg Circuit; '67 on the Louisville Circuit; '68 and '69 at Brandenburg; 1870 at Big Springs and Bewleyville; '71 Bradsfordville Circuit. That fall he transferred to the Little Rock Conference and was sent

---

to the Lapeal Circuit; '73 to the El Dorado Circuit; '74 and '75 to the El Dorado and Lapeal Circuit; '76 and '77 Mount Pleasant Circuit; '78 and '79 Presiding Elder of the Camden District; '80 and '81 on the Magnolia Circuit. In the fall of 1881 he located but was readmitted in '82 and transferred to the Texas Conference and was sent to the Travis Circuit; '84 and '85 he was on the Milano Circuit. In the fall of 1885 he took Supernumerary relation and remained in that for several years when he was superannuated, which relation he sustained at the time of his death. He was pure in life, strong in faith and rich in experience. His ministry had been a very successful one in winning souls to Christ and building up the Church. He was a strong preacher. He died a peaceful and triumphant death, and leaves a widow and six children to mourn his loss. Truly, he was a good man with a heart full of love for God and humanity.

H. M. SEARS,

For the Committee.

THE ROSE OF SHARON and the lily of the valey—so to speak—are symbolized by the new equipment recently made a part of the I. & G. N. passenger service. 21 cars in all! Plush chair cars—a beautiful fancy—Peerless Parlor cars—a real ideality. The cosy atmosphere of home life pervades them. Ladies toilet rooms unusually spacious and splendid. In this age a bit of travel assumes a place in the regime of every life. Why not make it pleasantly memorable by availing yourself of the most magnificent modern medium of conveyance.

"HOW DULL IT IS TO pause!" Improvement and enlargement go hand in hand with the I. & G. N. The latest achievement is the completion of the Fort Worth division as far as Waco—affording train service twice daily between Waco and main line points from Longview to Laredo, Austin, San Antonio, etc., with through sleeper, and reclining chair cars.

Of course everyone knows that St. Louis, Memphis and other objective points northeast and southeast are best reached via the unrivaled thro' service of the I. & G. N.
